Events attended since the last meeting

- **Airboat Rodeo**- There was about 20 boats out at the Rodeo coming and going all day. There was plenty of food. Mike Burley provided everything to the club for the Low Country Boil and also cooked it so thank you very much Mike. It was a very windy day so no one wanted to participate in the events so we all just hung out and enjoyed everyone's company.

Doug Flood- Doug wanted everyone to be thinking of new officers and board for the upcoming year. Doug is stepping down as President to give someone else the opportunity and to change it up. We will also need a Secretary and/ or Treasurer so I no longer have to do both jobs (not that I have minded but I do work a full time job as well).

Doug on Memberships- It was brought up by club members that we need to work as a club to try and get new members and better attendance at the meetings. Ideas given were;

- ✓ Advertise events at least a month ahead of time on social media.

- ✓ Have board members call current members to try and get them into the meetings. The meetings shouldn't be hard for members to attend it is ONLY 1 night a month.
 - ✓ Mail out annual club membership forms and annual newsletters with upcoming dates of events.
 - ✓ Have guest speakers at the meetings to get people interested in the meetings again such as FWC officers or Hunting and Airboating laws, etc.
 - ✓ Have a local Christmas Party so that the spouses can come and everyone do a Chinese gift exchange for something fun and the club will provide Food & Drinks.
 - ✓ Invite Old-timers of the Airboating community to come to the meetings to share their stories with the club.
 - ✓ Have another party at the Moose lodge to get everyone back in touch with one another.
- **Club Meeting Pot:**
Meeting pot was \$313.00, the winners were Robert and Theresa Anderson but because they have not attended any meetings it will roll over till next month. Please you must attend 2 consecutive meetings and paid your \$1.00 at each meeting in order to win.
- **Next club meeting:**
Next club meeting is on Wednesday October 14th, 2020 from 7:00pm – 8:00pm at Marsh Landing. We hope to see everyone there!
Meeting Adjourned 8:00pm
