- ✚ **FAA Meeting-** Hosted by our club there were about 31 people in attendance. Elections were done but Eddie did not have the names of the elected individuals. He also said that they are still working on getting it required that all registered vessels have an orange safety flag like airboater's are required to have. Lane Stevens asked that more people contact (in writing) our local senators about issues. Brad said that he wanted to get a bunch of the clubs together and do a clean up on Lake Kissimmee he called it "Spring Unity Lake Clean-Up". We will get more information on it as soon as he gets it.
- ✚ **Rocket Launch-** The Rocket launch gets an increase of people each time! Not so much participants but a ton of spectators. There were 9 entries, Robert Anderson was the one hiding. Chris Jacobi was the one who found him and won \$90.00, which he donated back to the club. Thank you, Chris
- ✚ **Crystal River Hunt-** We had 5 youth attend this Deer/Hog hunt. 3 of the 5 were brand new to the program. They harvested 2 deer and 1 hog, congratulations to these upcoming hunters. It was a wonderful time as always.
