Old Business:

FWC Deer Harvest Rules & Regulations- There are a lot of changes to the Deer hunting Regulations so if you hunt you better read up on them. I printed several copies for people to take and will have some at the next meeting as well in case anyone wants a copy.

Alachua County Airboating Petition- Doug said the president of the club in Alachua County is asking all the airboat clubs for financial help in the fight to repeal an airboat ordinance. The petition going around is "Withdraw the discriminatory curfew against airboaters in Alachua County Florida". Doug will get the information on how much is needed and exactly what it will be used for.

50/50- This month's winner was Robert Gardiner \$27.00.

Golf Tournament- Heather said that the Sebastian Sharks are having a golf tournament on September 28th if anyone is interested in playing in it. The cost is \$65.00 per player. Please get with Heather if you're interested.

Events attended since the last meeting

- ✚ **Fish Fry/ Marsh Clean-up-** Doug said there were only about 30 people in attendance (due to the weather). He said they collected a lot of garbage from around the camps. The Fish Fry was great and everyone had a wonderful time.

New Business

- **Club Ride to Camp Holly** – We will be doing a club ride to Camp Holly, it's a beautiful ride so if you have never been you don't want to miss it. We will be meeting at the Fellsmere Grade at 8:30. We will be doing a "poker run" on the way there. Poker Hands will be \$5.00 each and you can purchase as many as you would like. Since October is Breast Cancer Awareness month we will be giving the proceeds to a local group called "Friends after Diagnosis" If you would like to know what they are about you can go to WWW.FriendsAfterDiasnosis.com and check it out.
- **IR Dog Training Club-** Paul asked if the club would do a sponsorship for the dog training club that he belongs too for \$150.00. Mark Everhart made the motion to give \$150.00. It was seconded by Robert Anderson. A show of hands were in favor, motion passed.
- **Historian Report-** Paul gave his Historian report on 6,000 – 8,000 year old fossils "Ice Age". He brought samples of all the Fossils that he finds on "Peace River" and gave the history on them all.
