Secretary Position- Paul Shutes suggested we get a few people to train on parts of the Secretary position so that not just one person is taking it on till we can get the position filled by someone who wants the position. Is anyone willing to train for parts or wants to take on the Secretary position? Brae is currently doing both Secretary and Treasurer positions.

Club Calendar's- Paul Shutes suggested that we develop an Airboat related calendars to sell for the club. We need to get this going so that we can start selling them in January. We need Airboat related photos from all clubs submitted and a committee to go through the photos and pick the ones for the calendars. We will come up with a price once we see what they are going to cost to make them. Please let us know if you would like to be on the committee.
