So far, we have 21 people signed up. This will NOT be a certification class just a re-fresher to get people up to date incase of an emergency. See everyone there!!!

**Unity Weekend-** everyone had a great time; it was a full house!

**FAA Meeting-** They talked mostly about the Orange Flag issue again. Each club gave information on their upcoming events and things happening in their areas. Nominations for Officers and Board members were made. Robert Anderson & Clark Taylor were nominated for Board. Nominations will remain open till the October meeting if you want to nominate anyone for Officer or Board member. The next Quarterly meeting will be at the Brevard Airboat's Club House on Saturday October 8<sup>th</sup> from 10am-2pm.

**Summer Camp Platforms-** We completed both platforms, the only thing left to do is build the Steps on both platforms. Please check them out next time you are in the East Marsh and please respect and take care of them because our club members put a lot of hard work into them. They have been moved over a couple of the washouts to please keep your eye out. We did put some reflectors on them so people will see them at night. Thank you to everyone who came out there to help build them we really appreciate it.

**Screws for Platforms-** Eddie got screws donated from St Johns to finish the platforms but in case he does not get them in time for our workday Chad Smalley made a motion to purchase screws from East Coast Lumber \$450.00 for finishing up the platform. It was seconded by Robert Anderson. A show of hands was in favor, motion passed!

### **Events attended since the last meeting.**

- 🚩 **Camp Mack-** We had over 30 boats sign up to go, but only ended up with 11 boats. It was a great time even though we didn't get to do much riding due to the low waters and the weather in the afternoon kept us from being able to swim. The Saturday night dinner was great the club provided Ribeye steaks, and everyone brought side dishes. Next year we will be either going back to Lake George or looking for a new Airboat friendly adventure so keep an eye out for a place.
- 🚩 **Python Hunt-** Paige said it was a good hunt for the 1<sup>st</sup> one, but they only caught 1 snake, it was very hot, and they didn't have a very big place for their camping area. But it was a last-minute hunt due to another club backing out and people from FWC called Paige to thank our club for stepping up.
- 🚩 **Airboat Rodeo-** It was a great turnout for the rodeo, we had at one point over 40 boats. The winners of the rodeo were Sam Bryant- winning the Pole Bending. And Ryan Worthen winning the Barrel Racing and Keyhole. Almost everyone donated their money back to the club, so we made \$1,225.00 (less cost on food). We have another one scheduled for September 10<sup>th</sup>, 2022. There were a lot of new people running the events so the next one we will have a captain's meeting ½ hour before

the events start. We will purchase a megaphone for the announcements at the Rodeo events. We will also be doing an Exhibition for \$5.00 extra per event if anyone wants a practice run that money will go to the club.

🚩 **Sebastian 4<sup>th</sup> of July Parade-** Chris said it was very, very hot but that they had a great time.

#### **New Business:**

- **Osceola Frog Giggling Tournament-** - our neighboring club will be having their annual frog giggling tournament on August 6-7<sup>th</sup>, 2022 @ cypress lake if anyone wants to sign up to go it must be done by July 23<sup>rd</sup> by going to their website [www.osceolaairboatassociation.com](http://www.osceolaairboatassociation.com) to sign a waiver and make your \$30.00 payment.
- **Upcoming Events for the rest of 2022**
  - **Club Catfishing Tournament-** Saturday August 20<sup>th</sup>, 2022 @ Bass Camp North Marsh
  - **HuntMaster Training in Ocala-** August 26<sup>th</sup>-28<sup>th</sup> Our Club will be cooking for everyone again so if you interested in becoming a HuntMaster or just want a refresher course please get with Paige or Robert so they can get you signed up.
